

True Colors™

Human Behavior Meets the Color Spectrum!

Guiding Principles

- Parallel people are great!
- Not the real world!
- We're different
- Can create tension on a team

It's Just a Tool...

- “Lotta” elements make you YOU
- Understand one another better
- Information-delivery
- Avoid Stress
- Valuable insights for team interactions

Almost there...

2. Add each column of numbers.
3. Record your color spectrum

Your highest number represents your “brightest color!”

Blue Values/Joys

12% of population

- Communication
